

PICNIC ACTIVITIES

- POOL:** Enjoy the junior Olympic size swimming pool featuring a 140-foot mountain water slide.
- Large pool: 3 ½ – 7 feet deep – Small pool: 3 ½ feet deep.
 - Capacity 300 in pool and on deck total.
 - Swim test required to swim in the deep end and to go down water slide.
 - Children still in diapers are not allowed in pool.
 - No arm floaties allowed, but personal flotation device is allowed.
 - Lifeguards on duty.
 - Water slide: 2 story mountain water slide with 6 turns (140 ft.) – Must be a minimum of 4 feet tall to ride.
 - A parent must remain in the pool area with their children. No babysitting will be available.

- ZIP LINE:** Soar over our scenic canyon down the zip line. Harness, helmet and fun included.
- Age requirements: 8 years or 60-275lbs, 50lbs w/ weight belt (at discretion of director on site).
 - The group will be instructed on how to properly put on a harness and helmet.
 - The zip line is a 10-14 second ride, 1,000 feet horizontal.
 - Closed toed shoes are REQUIRED and longer shorts or pants recommended.
 - Everyone will be harnessed at the bottom of the zip line area and will be given a safety talk. They will get one zip each and will need to get back into line to zip again.

- MINE PROGRAM:** Adventure in the Lucy-Lou Mine takes place at the mining camp. Dig in the mine shafts looking for coal wearing our mining hard hats and helmet lamps. Pan for gold in our authentic sluicing boxes. Go prehistoric and create your very own fossil.
- Mine exploration: Children are taught about coal, why we bring a canary into the mine, and what it is like to be a miner. The children are able to wear helmets and carry either a pick ax or shovel to go explore in the mine.
 - Gold Panning: You can pan for gold in our two troughs. Staff members have sprinkled pieces of fake gold throughout the troughs and we supply children with pans similar to ones that were used during the gold rush. Each child is able to take home 1-2 small pieces of "gold."
 - Fossil Creation: Children use clay to make imprints of organic items to make impression fossils.
 - Closed toed shoes highly recommended if going into mine.
 - Each activity at the mine will run on 30 minute rotations. We will have sign-ups for each activity rotation (15 kids per activity, 45 total per rotation.) Parents are encouraged to participate with their child. No babysitting will be provided.

- RANCH PROGRAM:** Learn all about local ecosystems and how to plant, and harvest crops.
- Farmer's Market: Estimate the distance that specific food products travel to reach our plate. Harvest fruit and make juice or lemonade!
 - Living Classroom: Explore the basics of different growing practices. Harvest vegetables, prepare them and eat them!
 - Learn about soil & test the soil for macronutrient levels (nitrogen, phosphorus and potassium)
 - Compost- Inspect the contents of a worm bin and describe the role of decomposers in maintaining in soil health.

- ROCKWALL:** A multitude of different routes for all level of climbers, including inclines, over hangs, and the Tandem Vertical Playpen.
- Ages 7 and up (at the discretion of the director)
 - Weight requirement of 40lbs to 250lbs
 - Closed toed shoes are REQUIRED and longer shorts or pants recommended.
 - Everyone will be harnessed at the bottom of the rockwall area and will be given a safety talk. They will get one climb
 - each and will need to get back into line to climb again.
