

OUR PHYSICIAN MEET & GREET LINE UP

This year we are pleased to offer: Dr. Suzanne Goh, Dr. Dan Rossignol, Dr. Karima Hirani, Dr. David Millett and Dr. Geoffrey Radoff. Meet and greets are reserved at **15-20 minutes** in length. Sign-ups will be taken by registration until 11:30am, after 11:30am the sign-up sheet will be moved to the physician meet and greet area.

Meet and greets will be available from 11:00am until picnic close at 3:30pm and are located adjacent to the picnic entrance. The meetings will take place in private meeting rooms. These opportunities are for new patient meet and greets only.

SUZANNE GOH, MD

Dr. Suzanne Goh is a board-certified pediatric neurologist with expertise in the evaluation and treatment of children with developmental brain disorders, including autism, intellectual disability, cerebral palsy, ADHD and others.

KARIMA HIRANI, MD

Karima Hirani, MD is a Board Certified Physician who has been practicing conventional medicine since 1993 and Integrative medicine since 1999. She sees both adults and children who are seeking a Functional Medicine doctor who is open to Holistic and Alternative Therapies.

DAN ROSSIGNOL, MD, FAAFP

Dr. Rossignol has a special interest in autism spectrum disorders, PANS/PANDAS, cerebral palsy, and related neurological and developmental disorders as well as medically complex children and adults. Dr. Rossignol is a Fellow of the American Academy of Family Physicians (FAAFP) and a Fellow of the Medical Academy of Pediatric Special Needs (FMAPS).

DAVID MILLETT, MD, PHD

Dr. Millett is a board-certified neurologist specializing in seizures, epilepsy and electroencephalography (EEG). He is currently involved in numerous epilepsy-related research studies and educational projects including the use of brain-computer interface (BCI) technologies to analyze epileptogenic circuits in the human hippocampus and the cortical control movement with colleagues at USC and UCI.

GEOFFREY RADOFF, MD, MD(H)

Geoffrey Radoff, MD, MD(h) offers more than 46 years of experience with both traditional and homeopathic medical care. He is Board Certified in Family Medicine and a member of the Medical Academy of Pediatric Special Needs (MAPS). Dr. Radoff has patients from all over the world and is now reopening his office in Encino, California. He is also the Medical Director of Brain Science Technologies & EEG to GO.
